To complete the perfect look, Myer will also offer a range of cosmetic brands including Illa Masque, Make Up Store, Model Co, Dior, Clinique, Estee Lauder and Benefit (including a Benefit Beauty Room).

The arrival of Myer is part of a larger expansion delivering a new fashion mall with an exciting selection of new speciality stores to the Centre.

Other new arrivals from late September include fashion favourites French Connection, G-Star Raw, Flower and jeweller Facet 58, adding to the Centre's dynamic mix of national and international fashion labels.

International label French Connection will excite even the most stylish, bringing their hottest new womenswear, menswear and accessories to the Gold Coast. Offering collections that are at once seriously funky and über-chic, shoppers will delight in French Connection's fashion-forward offerings.
